Doing photoshoots outdoors throws up a whole host of problems. With shoots in Britain, it's the weather, as Natasha discovers this month. Bless her, though, she's a trooper. And hypothermia is treatable. With the Americans, the weather isn't an issue, not when we're in California with two girls like Hayden and Malena. No, the problem there is the whooping frat boys who've hired the villa next door. They can put you off your lesbian action, they really can... ♣

Dear Club,

I've always been highly sexed, so, being unattached at the moment, I seem to spend a lot of my time thinking about dick and the fun places I can stick it. It doesn't matter where I am. I see a hunky man and my pussy starts juicing up ready for action and I'm imagining his lovely hard knob squeezing up my arse or cumming down my throat. In order to aid instant relief at these times, I've taken to wearing hold-up stockings without panties under my skirt or dress because it's so easy to have a quick surreptitious fiddle when I'm out and about.

Of course, I prefer to get the real thing inside me, and to that end I recently made a move on Gareth, the salesman at the car showroom who last month was trying to talk me into buying this smart 4X4 jobbie.

"Fancy a test drive?" Gareth suggested, so I opened the door of the Range Rover and climbed in, making sure he got a quick glimpse of sheer black stocking top. Soon we were zooming down country lanes with Gareth burbling on about the vehicle's performance as he drove. Sitting beside him, I was far more interested in the performance of his cock, subtly moving my legs so my skirt would ride further up my thighs.

"So what extras do I get with this car, Gareth?" I said in my sexiest voice, pulling open my grey leather jacket to reveal my naked breasts beneath. Narrowly avoiding a hedge, Gareth came to a sudden stop on a verge. Before he could say anything, I leant over, placed a hand firmly over his crotch and kissed him full on the mouth.

"Now show me how you handle this," I whispered, stretching out in my seat and spreading my thighs on the cool leather so my moist cunt was on full view. Gareth didn't need asking twice, and plunged his head between my legs, his tongue lapping at my pussy lips while his hand grabbed a handful of tit. He tenderly licked at my clit before moving his hand between my legs and slowly inserting two fingers into my gooey snatch. He even began to skillfully tickle my tight little bumhole from this angle, and pretty soon I could feel I was about to cum in his mouth. I climaxed just as the tip of his finger slipped inside my arsehole, and the poor guy nearly choked on the amount of love juice that squirted from my hole.

"Right, my turn," I said to Gareth as his head rose from between my thighs, my lady-gravy smeared all around his mouth.

I pushed him back in his seat and levered his rock-hard dick from his flies and his boxers before stuffing as much of its length between my lips as I could. His knob banged against the back of my throat as I sucked him hard, my hand manipulating his lovely balls as I teased his manhood with my tongue, rubbing my tits against his crisp white shirt.

"Can I fuck you now?" Gareth pleaded, knowing he'd explode down my throat if I continued giving him such expert head.

"Better test the backseat for comfort," I replied, clambering into the back, my arse stuck high in the air as I faced the rear window eagerly awaiting Gareth's twitching prick. As the tip of his cock eased inside my pussy I pressed my face against the back seat, the smell of the leather mingling with the scent of sex in the car getting me more and more turned on as I thrust my hips to meet his thrusts.

His hands gripped my boobs as he began to pump my twat faster, his whole dick slurping clear of my hole before crashing back inside, forcing me deeper into the plush padding. This was great, but I knew how to make it even better. "Do me in the arse!" I squealed, holding my buttocks apart for him.

His cock was so well lubricated

BOXING JELENA!

Dear Club,

I'm a big titwank fan – what bloke isn't? – but most of the girls who give them in porno films are a bit on the chunky side for me. It's a delicate balancing act, isn't it? We all love fat tits, but not fat chicks. So I'm happy to declare that Jelena Jensen (*Club* 42/2) has the perfect tits for fucking and spunking on, but is beautiful too. She's my vote for girl of the year.

Joe, Leicester

Yeah, Jelena is magic, isn't she. Beautiful, classy and with a set of top twats you could spend hours playing with. Yours isn't the only vote she's had this year – results next issue!

PASSED TENTS!

Dear Club,
Like any sensible man, I can't stand camping. Who wants to be in a cold, wet field when you could be next to a fire at home, watching a DVD boxset and sipping on a tot of single malt? But those two American lesbians [we think you mean Jana and Sandy from *Club* 42/2] might be enough to change my mind. Two blonde minxes and me in a tent? I could leave the fireside for that.
Peter, Salford

We're with you on camping, Peter. A joyless experience. But if Jana and Sandy invited us, we'd be there in a flash. All you need is a two man tent (well, you want it to be intimate), a hipflask and a camera. Bingo.

it went straight up my bum first time, and as he pumped away I could feel his swinging bollocks slap against the backs of my sweaty, stockinged thighs. Gareth grabbed my thighs and hauled me hard onto his shaft, my brown eye stretched taut around his throbbing meat as his spunk begged for release. But I had my own ideas about where his spunk was going to go . . .

"Spunk up over my tits!" I yelled, dragging my arse off his tool and swivelling round so his prick pointed at my chest. I grabbed hold of my knockers, squashing them up and pushing them out, just in time to catch the first jet of lovely, thick, white spuzz in my cleavage! Splat! Gareth shot another wad, then another, all over my front. Splurt!

He watched with a wicked smile as it dribbled down off my boobs onto the soft leather between my parted legs, where it mingled with my sticky fanny juice.

After cleaning ourselves up a bit we returned to the showroom. I got the car and I bet Gareth got one hell of a commission bonus!

I used to be on the swimming team at University," Nina tells us. "Not because I loved swimming, although I was quite good at it. No, I had a huge crush on our coach. And the feeling was mutual. We had lots of one on one sessions where we'd pretend to work on strokes and breathing but in fact he had his dick inside me under the water. It's given me a lifelong love of fucking in pools. Champions League 'Last 16'

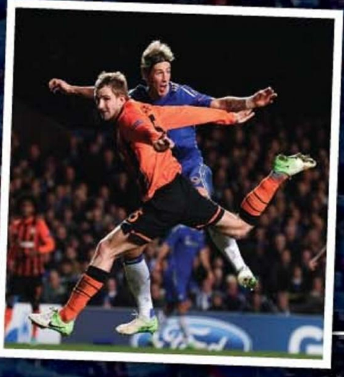
Various Venues
February and March

After a bit of a crap tournament last season, when Chelsea managed somehow to fluke their way to victory playing some pretty dour football along the way, the Champions League is suddenly looking interesting again. Out of the 16 teams left in the draw, eight have a realistic chance of lifting the trophy at Wembley on May 25th, making this one of the most open runnings of the competition in years.

As always, current favourites Barcelona are many people's pick for the prize. After all, they're flying high in La Liga – top and unbeaten at the time of writing – and boast in the likes of Lionel Messi, David Villa and Xavi some of the finest players on the planet.

On the downside, Barcelona's manager Tito Vilanova is recovering from surgery and the Catalan giants weren't actually that impressive in qualifying for these knockout stages of the Champions League, losing to Celtic and then making a meal of Spartak Moscow in the final group match. Barcelona face AC Milan in the last 16, a team very much out of form but who can never be written off – especially with talent such as Bojan Krkic and Philippe Mexes within their ranks.

Another huge club currently struggling for form are Barcelona's famous rivals Real Madrid. Floundering in La Liga, patchy in the Champions League so far (Real only qualified second to Borussia Dortmund), and with rumours circulating about the futures of Jose Mourinho and Cristiano Ronaldo, Real are a team in minor turmoil. This is all good news for British football fans – well, the few who don't hate Manchester United, anyway – as Los Galacticos face Alex Ferguson's men in a clash that could well turn out to be a classic.

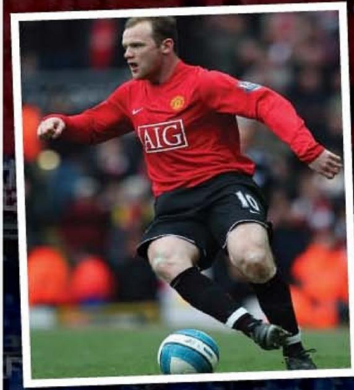


Admittedly, United have also been pretty ordinary in the Champions League to date, even managing to lose against a side with a name that sounded a bit like clunge. Improving form on the domestic front, however, suggests that the Red Devils might edge this one with that all-important home advantage in the second leg.

If United do manage to defeat Real, then the chances are that they will be the only British club to make it through to the quarter-finals. Arsenal, who have had a fairly poor season so far, play last year's losing finalists Bayern Munich, who will be desperate to make amends for that desperately disappointing loss to Chelsea back in 2012.

Celtic, who did very well to qualify from their group, beating the might of Barcelona along the way, face an equally difficult test against potential 'dark horses' for the tournament, Juventus. Top of Serie A and typically solid throughout the Champions League so far, beating Chelsea 3-0 on the road to this match, 'the old lady of Turin' is alive and kicking once again, and Juve should have too much for Celtic over the two legs.

While we're on the subject of 'dark horses', both Borussia Dortmund, who boast half the Germany squad amongst their ranks, and Paris Saint Germain, managed by ex-Chelsea man Carlo Ancelotti, topped their qualifying groups, although it remains to be seen if they can cope with the pressure of a knockout clash against one of the giants of European football.



Dortmund should overcome Shakhtar Donetsk and PSG will fancy their chances against a presently very average Valencia, but questions remain over both teams' ability to beat a big gun in the quarters or semi-finals.

In other news, Malaga, who are very unlikely to win the tournament, have a player called Willy. And yes, that is my level.

British Athletics Indoor Grand Prix

Birmingham February 16th

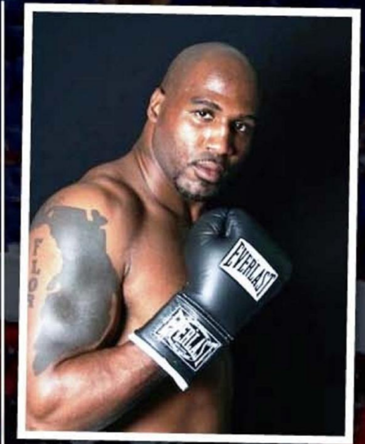
It's time for the chat show appearances, awards ceremonies and tiresome advertising campaigns to stop, and for Britain's athletes to get back to what they do best – athleticking. The Indoor Grand Prix is the traditional curtain-raiser to the athletics season, and it gives all our big performers the chance to enjoy their first major competitive action of 2013 in the relative comfort of a large heated arena.

Questions will be answered, such as has Mo Farah been overdoing the pork pies and Vienetta over the Christmas period? All will be revealed when he runs the 3,000 metres at this very event. Indeed, Farah's presence has already ensured a sell-out crowd at the Birmingham National Indoor Arena, and he'll be ably supported by several other stars from last year's British Olympic team. High-jumper Robbie Grabarz, who won bronze in London, will be hoping to raise the bar this season, and the likes of Perri Shakes-Drayton and Holly Bleasdale will want to make up for their Olympic disappointments in the 400 metre hurdles and the pole vault respectively. Life after 2012 begins here...

Prizefighter Series

York Hall, Bethnal Green February 23rd

There's something strangely poignant about the Prizefighter Series, particularly in the heavyweight division, where older, some might say 'washed up' fighters seeking redemption, are pitched up against younger boxers chasing their shot at the big time. The format is simple: eight pugilists battle it out over four 'quarter-finals' of three, three minute rounds with the winners going on to box in semi-finals and then a final. The overall victor bags £32,000 in prize money and a boost in credibility that can lead all the way to a lucrative world title shot, as it did for Audley Harrison when he won the Prizefighter series in 2009 and found himself, perhaps unwittingly, in the middle of a mis-matched British mega-bout with David Haye the following year. At the ripe old age of 41, Harrison, with his career currently even more prostrate on the canvas than he was when Haye flattened him in the third round of that aforementioned clash, returns once again looking to claw back some kind of credibility and respect. If, indeed, the man some call 'Audrey' can find any to claw back amidst the tattered remnants of his ring achievements.



At the opposite end of the scale to Harrison is Ian Lewison, a Brixton-born battler who is looking to kick-start his rise to the top with victory on the Prizefighter stage. With only eight professional bouts to his name (Won 6, drawn 1, lost 1) lack of experience might be an issue for Lewison, particularly as he's going up against so many wiley old pros. He'll certainly have freshness and vigour on his side over seasoned stagers such as Harrison and veteran Martin Rogan, who won the first ever heavyweight Prizefighter contest back in 2008.

> "Audley Harrison's career is even more prostrate than he was when Haye flattened him in the third round of their mismatched clash"

Despite the strong British presence, the favourite for this knockout clash is in fact a US import. With 48 professional fights to his name (39 wins, 8 losses and 1 draw), Travis 'Freight Train' Walker has the tools to take the Prizefighter crown back across the Atlantic.

Grab a beer and watch grown men with a point to prove thump the shit out of each other. ♣

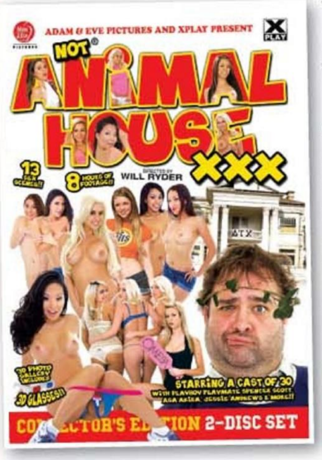
Not Animal House XXX

(Adam & Eve)



There are now pretty much no films that haven't been parodied or XXX'ed over the last few years. Perhaps the catalogue of Leni Riefenstahl, but we can't see that happening. At least Adam & Eve have gone to the effort of having a bloke who looks like Jon Belushi, and the female cast is huge and high end. Asa Akira and Jessie Andrews – the latter with her trademark hairy fanny – are the headliners, but this is good, fun stuff, with 13 sex scenes spicing up the frat boy laughs.

★★★★

Private Sex School

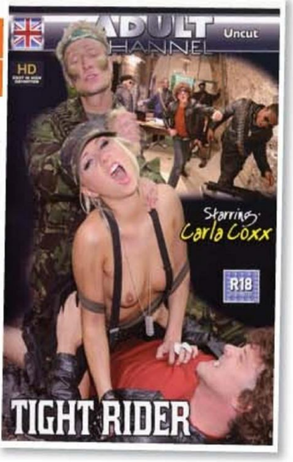
(Private)

As much as we try to overcome it, we're all still suckers for this 'girls college' malarkey and the uniforms that go along with it. Even when some of the 'students' are on the mature side. Here Private have cast girls who can carry it off – Henessy – and a few who are borderline. But the action is fine, with lots of bum stuff and the plenty of knee high socks and artfully dishevelled ties. We assume this must be one of Michael Gove's free schools.

★★★

Tight Rider

(Adult Channel Uncut)



The filming of this *Knight Rider* parody made it into the national press when it turned out much was filmed at Fort Amherst, a Napoleonic building that had only just reopened following a lottery grant. The look is cheap and cheerful despite that – something Adult Channel play up – but it doesn't really matter when you've hired two of the finest fuckers in the Euro porn game – Carla Cox and Lou Charmelle. Throw in some Brits, some raw action and you've got a homegrown winner.

"Me and hot water are a match made in heaven," the lesbian porn star purrs. "Whether I'm in the shower or soaking in the bath, I just end up playing with myself. The bubbles, the spray from the shower on my clit. Why would I want to rush that?"

We can't think of a good reason. ♣

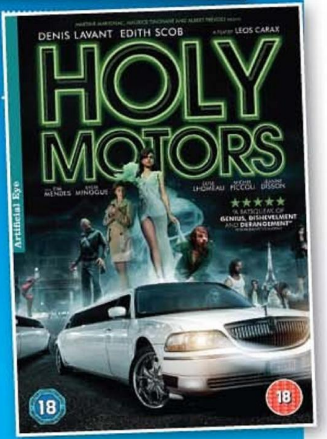
Holy Motors

(Artifical Eye, DVD £15.99, Blu-ray £19.99)



Director Leos Carax and his muse, star Denis Lavant, combine to create one of the most original and audacious films of recent years. It's the kind of French movie some will love to hate, but few films can combine a man chewing on Eva Mendes' hair, begging in the street, performing a motion-capture erotic dance, 'acting' as a father, prowling Paris with Kylie Minogue and limping round Pere-Lachaise cemetery as an imp, to such excellent effect. Lavant is barely off-screen, travelling the city of lights in a limo driven by chauffeur Céline (Edith Scob from Franju's classic *Eyes Without a Face*), changing into his next role. Is it a meditation on identity? Film? Role-playing? Who the fuck knows. What it is, after an initial slow, baffling start, is a lunatic ride of endless invention. Lavant is incredible, a menacing clown who sells each role he inhabits, all the way through to a bizarre, laugh out loud ending. You'll either hate it and turn off after 10 minutes, or you'll be so entertained by the invention and the comedy that you'll see it through, struggling to find a thread that holds it all together. We rate it the best film of the last year, but if you hate it, we could also see your point of view... ★★★★★

What looks, from the trailer and the packaging, to be stultifying costume drama for the Downton generation, is in fact a wonderful, multi-layered treat. Based on a true story, it tells of an English princess sent off to marry a Danish king, whose mental illness drives into the arms of his physician. The latter, a man of new ideas in a custom-bound society, is played by the brilliant Mads Mikkelsen, who brings a frisson of danger to court and adds depth to this nuanced film. ★★★★

STUDIOCANAL

Set in 'The Bathtub', an underprivileged Louisiana bayou, *Beasts*... has drawn praise both for its lyrical charm, and for the precocious (and Oscar nominated performance) of Quvenzhané Wallis. Both are richly deserving. She's incredible as Hushpuppy, a 6-year-old with an errant father and a missing father she searches for in a flooded landscape that is alien to both her and us. She's truly wonderful, and sells what could have been a contrived stretching for spiritual beauty. ★★★★★

American Mary

APPEARANCES ARE EVERYTHING
AMERICAN MARY
"STYLISH, ARTFUL AND DARKLY FUNNY"

The cover of this might make you think this is more torture porn in the vein of *Saw*. You'd be wrong (we were too). From The Soska Sisters, this is more about body modification, Katherine Isabelle starring as a surgeon who graduates from helping colleagues with medical emergencies to performing illegal body-mod work for the underworld. Grisly it might be, but there's originality and wit here too. ★★★

Skyfall

(MGM, DVD £12.99, Blu-ray £14.99)

Best Bond ever? Yes, although that's not the great shakes some people think it is. After the excellent reboot with *Casino Royale*, Bond had fallen back into irrelevance and cliche with *Quantum of Solace*. This is leaner and sharper, Sam Mendes' marshalling Craig, Bardem and Dench to thrilling effect. He's back. ★★★★

The Sims 3: 70's-90's Stuff

(EA, £11.97)

Is there a better cash cow for EA than *The Sims*? Releasing several updates a year, all at around £20, sure beats developing and releasing a whole new game. And *Sims* fanatics lap it up. Still, there's pleasure to be found here in giving your avatars a patina of 80's clothing and music. *The Sims 3* remains one of the most reliable time drains around. ★★★★

Classic Corner

The Maltese Falcon

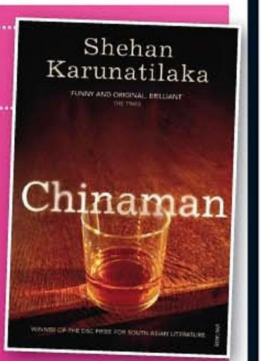
(Warner Home, Blu-ray £12.59)

The film that made Humphrey Bogart a star, *The Maltese Falcon* is nigh on perfect as a movie. John Huston writes and directs, but the actual plot about the search for the Falcon itself, a jewel encrusted trinket, is irrelevant. Instead it's all about the dialogue, lifted straight from Hammett, and Bogart as Sam Spade sparking off Peter Lorre and Mary Astor. ★★★★★

book club

Chinaman

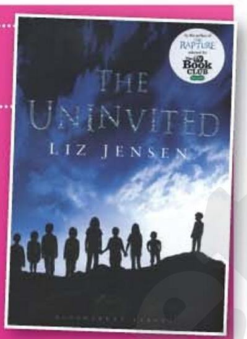
Shehan Karunatilaka (Vintage, £8.99)



We're suckers for novels with a bit of cricket in them here at *Club* and Karunatilaka's book puts him on the map as a Sri Lankan author to watch. It's about a dying sportswriter's search for a legendary spin bowler, but it's also about Sri Lanka itself, and the author deftly weaves threads about cricket history with the turbulent history of his nation. It's a book shot through with passion for the finest game we've created.

The Uninvited

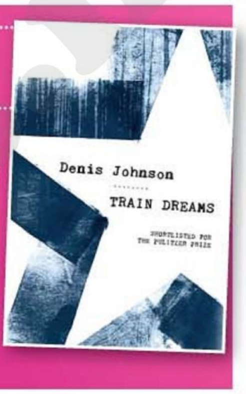
Liz Jensen (Bloomsbury Circus, £12.99)



A novel that opens with a reference to an child in pyjamas killing their grandma with a nail gun could be accused of going in for cheap shock tactics, but Jensen's vision of a dystopian future is more complex than that. The 'hero' Hesketh Lock is an anthropologist with Asperger's, investigating industrial espionage, against a backdrop of possible apocalypse. Jensen's prose is first rate, and this rattles along.

Train Dreams

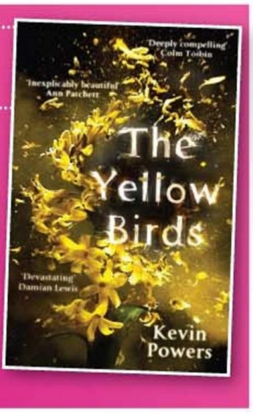
Denis Johnson (Granta Books, £12.99)



Denis Johnson's novella takes a slight premise – the life of labourer Robert Grainer at the close of the 19th century – and crafts something of beauty. You can tell his day job is poetry, as there's a beauty to the cadence of the writing, making this one for fans of those other American masters Cormac McCarthy and Richard Ford. Slim it may be, but there are riches within.

The Yellow Birds

Kevin Powers (Sceptre £14.99)



The Yellow Birds has had plenty of attention in the media, but is it deserving of such praise, or is it merely because of the subject matter – Iraq? While it has problems – Powers overwrites at times, labouring for profundity and perfect sentences – there is also much to admire here. He writes with a veteran's eye, but also with a poet's. It's suffused with sadness and anger. ♣

Club's KIT BAG

Plug and play with yourself...

Libratone Zipp

www.libratone.com

It would be easy to deride the Libratone Zipp as a gimmick. After all, it has the appearance of something that girls would find 'cute'. But function overcomes form here, resulting in a pair of portable speakers with genuine oomph.

They're wireless, hooking up nicely with Airplay, but then you'd expect such a feature, and such oomph, when you're paying nearly £400 for the privilege. If you're a girl and want some nice speakers – this is perfect for you, they wrote sexistly. But, to be honest, they'll do a job for both sexes, and if you've got more money than sense, they're so user friendly you'd be daft not to.

Pros: A doddle to set up and use.

Cons: A tad expensive.

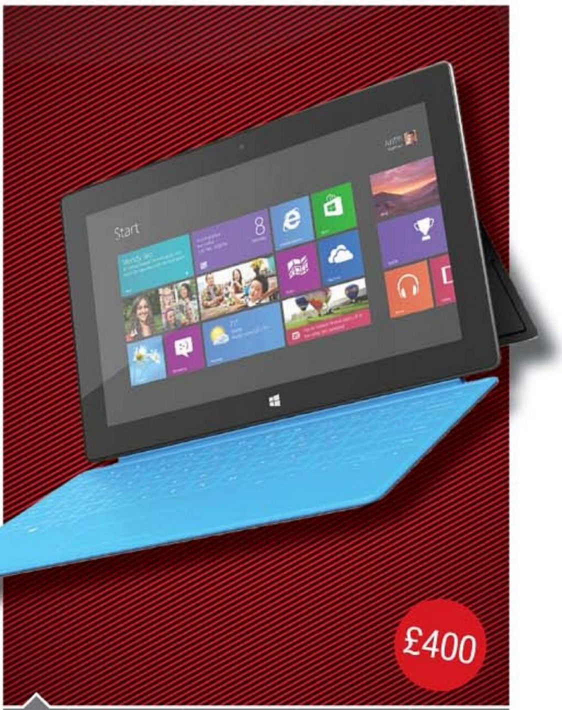
Nokia Lumia 920

www.nokia.com

Here in London, you'd be forgiven for thinking every last fucker had an iPhone, but judging by the Apple share price recently, that's far from the case. The Nokia Lumia 920 is another fierce competitor, launched with a glossy campaign highlighting the social networking aspects of the phone. To be fair, it has plenty going for it – a 4.5" screen, 32GB of storage, lovely web browsing, responsive touch screen. Only the camera lets it down, and the perennial lack of apps for Windows by comparison with iOS.

Pros: Feature-packed, and a real looker.

Cons: Persistent Windows mobile issues.



Microsoft Surface

www.microsoft.com

Microsoft's latest dip into the tablet market is a mixed bag. It's a Windows 8 product, and there are some issues with that – a crappy app selection being one of the main ones. On the plus side, the big screen looks lovely, it's no thicker than the iPad and the clip-on keyboard, while taking some getting used to, is a good addition (but not a free one). It comes in cheaper than the iPad 4, but maybe that's because it doesn't have a Retina display, and it's a little lighter, but for us the ability to plug in a memory stick, for when we don't want to save or download from 'The Cloud' is a nice addition.

Pros: Keyboard cover, can plug in memory sticks.

Cons: Screen is not up to the Retina standard. ♣

So much. A few blokes I work with read *Club*, and the idea of them pumping their cocks over me makes me really wet.

WE IMAGINE THAT'S SOMETHING THEY DO ALREADY!

BURLESQUE-HORNY!

My New Year's resolution this year was to get fit, but I couldn't stand the thought of a gym or, even worse, jogging. My husband told me that I could just wank myself fitter – he'd read something in a magazine that said that a woman burns off about 250 calories when she orgasms, so his suggestion was that if I had a quick one every night (with him watching, of course – he loves to watch me wank) then I'd soon be fit-as-a-fiddle. He even bought me one of those plug-in magic wand vibrators, to save on the cost of batteries, plus some 'porn for girls' DVD's to get me in the mood. But though I've been happy to oblige many nights (and boy do those magic wands pack a punch, although the girly-porn is a bit arty for my tastes – I prefer his proper stuff!) I'm not absolutely convinced about it as a sole means to keep fit. So after a quick bit of internet research, I signed myself up for some one-on-one Burlesque dancing tuition with a local teacher, whose advert promised a fun and sexy way to get in shape.

I spoke with her on the phone before my first scheduled lesson, and she told me to wear clothes that I could easily take off, and not to worry about getting cold, as she gave the lessons in a room at her home that she had converted in to a little dance studio and kept nice and warm. She sounded very friendly on the phone, so whilst I was a touch nervous about the 'clothes that I could easily take off' bit, I was still rather looking forward to it as I rang her doorbell on the evening of my first lesson.

The girl who opened the door smiled broadly when she saw me and introduced herself as my teacher, Anna. She was about my age, with an attractive face, which – whilst not classically beautiful – was certainly rather pretty to look at. She was wearing tight dance-leggings and – it's a terrible thing to say – I couldn't help noticing almost immediately that she was displaying a rather fine camel-toe between her legs. I know that camel-toes are meant to be nasty, but I have to say that I've always found them kind of sexy – the sight of a pussy outlined like that, plus the thought of how it feels to have material clinging so tightly and even riding up a bit between the lips, always gets me a little turned-on. As she turned to lead me inside I could see that she was on the curvy-side, with a well-rounded bum shown off nicely in those tight leggings. Once we were inside she closed the door then, somewhat to my surprise, immediately gave me a big hug, squishing her impressive boobs into mine as she did so. As she let me go she took both my hands in hers and said, "Hope that's OK – I like to get my lessons off to the right start. There can't be any inhibitions between us if we're going to Burlesque together!"

I told her that it was fine with me, and keeping hold of one of my hands she led me through into her 'studio'. It looked like it had probably once been a living room and dining room that had been put together and then converted. Half the room had parquet-flooring and was clear of any furniture, with full-length mirrors all along one wall – clearly this was where the dancing was done, facing the mirrors. The other half of the room was carpeted, with a sofa in one corner and armchair in the other, plus a couple of wooden dining chairs. There were various props on or around the furniture – I could see some feather-boas, long gloves, and even what looked like some rather racy lingerie draped over the armchair.

Still holding my hand, she led me over to the armchair and said, "Right, first thing is to get ourselves kitted-out. I think that you should wear these, and I'll wear this." As she said this she had let go of my hand and given me one of the sets of lingerie from the armchair, taking a second set for herself. Before I could ask where I should go to get changed, Anna had pulled off the T-shirt that she had been wearing and was in the process of stepping out of her leggings and panties right in front of me, without even bothering to turn her back. I was so surprised that I just stood stock still and stared, until she looked up at me as she stepped out of her panties and laughed, "Come on. Remember I said no inhibitions here!"

I hardly had much choice, so somewhat shyly I pulled off my top and undid my bra, then removed my own skirt and – blushing furiously as I did so – finally pushed my knickers down to my ankles and kicked them off, glad that I'd thought to put on a matching bra and panties set. I looked at the lingerie that Anna had given me, and saw that there was a pair of black stockings with a deep lacy top, plus a suspender belt. So I quickly pulled the stockings on and fastened the belt around my waist. I started to fasten the suspenders to the stockings, but because I was both nervous and – I have to admit it – also starting to feel a little horny to be stood naked with another girl, I couldn't do it. "Let me help you," Anna smiled at me, and promptly knelt in front of me to connect my stockings and suspenders at the

front. This meant that her face was about six inches away from my exposed pussy, and I felt a sudden urge to press myself against her.

But I resisted, and Anna fastened me at the front, and then held my hips to swivel me round the other way so that she could fasten me at the back. She did so, then got up from her knees and gave me a little pat on my bare bum, holding her palm against my butt cheek for just a second or two longer than necessary, saying, “All done. Now get these on,” as she handed me a pair of frilly black panties, French-maid style with big ruffles at the back. I pulled them on, partly glad to be covering my pussy, which I feared would be starting to show some rather obvious signs of arousal, but also a little sorry to be covering up just at this point (and also worried that my rather obvious arousal might be about to produce a rather obvious wet patch on a pair of fancy knickers that were not my own!)

Anna was by now also in stockings and suspenders similar to the ones that I was wearing, although she’d not yet got the panties on, and I could see that she had her pussy waxed completely smooth, just like mine. This wasn’t helping my concern about creating a damp patch on my borrowed knickers, so to distract myself I looked round on the armchair for the bra to complete my outfit. I couldn’t find it, so I turned round to ask Anna where it was, only to find her with her back to me, bent over to fasten her front suspender. This afforded me the most wonderful view of her plump pussy and arse from behind, which I think is always a sexy sight on any girl. I can understand why you guys like that pose so much – I was sorely tempted to walk over to her and cup my hand between her legs from behind, to feel the warmth and moistness of that pussy on my palm, and perhaps let my thumb gently trace a pattern around her sweet little button of an anus, and even press in to her darkness a little.

Unfortunately this was exactly what I was thinking as Anna turned round and caught me looking at her arse. I blushed again, but she just smiled sweetly at me. “I can’t find the bra,” I said. “Ah,” she said, “Bra in a moment, but first let me introduce you to your pasties.” Picking something up from the chair, she came over to me, and taking a firm yet gentle hold of my right boob with one hand, she placed a little tasselled cup over my nipple with her free hand and pressed it in to place. She then repeated the process with my left boob, stood back and said, “Perfect. Give me a twirl.” Even I knew that she didn’t

“I let my hand slip between my butt cheeks and rub some of the oil in there. “Now slip a finger in,” Anna instructed”

mean for me to turn around for her, so I did my best to sway my upper body and get my tits moving, and much to my delight (and surprise) they sort of obliged, and the tassels at my nipples started to whizz round in little circles. Anna laughed and clapped her hands together. “Very good,” she said, “You’re a natural. Come on then, let’s get started.”

I put on the bra that Anna handed me, then the shoes that she had told me to bring – black patent leather with a mid-heel. Glancing over I could see that Anna had pulled on a pair of ruffled panties that matched mine, and also pasties of her own over each nipple under her bra. Her shoes were also black leather, but hers had a high heel of about four inches I’d say – there was no way that I could have danced in them! She stepped forward, took my hand, and led me to the area of parquet flooring in front of the mirrors. She then moved to the side of me, so that we were facing our reflections, keeping hold of my hand as she did so. I almost gasped at the sight – I have to say that I thought that I looked sexy-as-hell myself in this outfit.

I think that she must have caught me staring, because she said, “We look sexy together, don’t we? Right, music!” She stepped over to the wall and pressed a switch, and the room filled with the sound of an exotic, and somehow also rather erotic, beat. For the next 45 minutes Anna worked me hard. She had me take my stockings off – very slowly – then pull them back on again for another go. We did more twirling of the nipple-tassels, which she again said that I was especially good at. The dancing was quite energetic, and I could feel myself glowing with warmth, which I think Anna could see because she said, “Let’s slow it down a bit now. Time for some partner-work.”

She turned back to the area where we had dressed, and returned with a long feather-boa around her neck. She adjusted the switches on the wall, and the dance beat that we had been working to was replaced with a much slower, more sensual tune. Ann started to move in time with this music, holding the ends of the feather boa in her hands, and swaying her hips and tummy. It looked very sexy, and I just stood and enjoyed the sight of this horny girl in her stockings and suspenders moving in such an erotic way. “Come on,” she said, “Join in.” With this she un-looped the boa from around her neck and in the same movement looped it over mine, like she was lassoing me. Still holding the ends of the boa in her hands, she used it to lead me into her dance, and I found myself matching her hip and tummy sways with my own. “That’s it,” she said, “Very good. Now let’s give the audience a treat.” She pulled on the ends of the boa, drawing me to her.

As soon as I was close enough she let go of the boa, and put her hands on my waist to pull me right to her. Before I knew what was happening, her lips were on mine and we were locked in a passionate kiss. Anna didn’t hold back – she kissed me long and deep, with real desire, her mouth open and her tongue snaking in to mine. Her hands moved to my bum cheeks and firmly pulled my crotch in to hers, then started to massage my bum through the ruffled back of my fancy panties. After a prolonged period of snogging, she finally released me. “I think that our audience will have enjoyed that,” she smiled, “Now time for some props work.”

Leaving the boa draped around my neck, she went back to the dressing area and returned with one of the two dining chairs, which she placed in the middle of the dance floor with the back to the mirror. She took my hand again and led me round behind it, then gently bent me over the back of the chair, so that my hands were on the seat – it was like I was a naughty schoolgirl about to be spanked by the headmistress! “I think that we’ll have these off,” said Anna, as she slid my panties down from behind, crouching to slip them off my ankles, and giving me a little kiss on the butt as she did so.

“Now for some oil,” she said, and I felt a drizzle of something warm and wet on my bum – she must have had a little bottle of it tucked away somewhere. “Very nice,” she said, “Now rub it in for the audience.” Keeping one hand on the seat of the chair to steady myself, I turned my upper body round slightly to allow me to reach behind me and start to stroke my butt with my other hand, feeling the warm sticky oil on my palm as I did so, and catching a glimpse of myself in the mirror over my shoulder, with Anna stood just to one side of me looking on appreciatively. I could see that the oil made my arse shine in the bright lights overhead, and there seemed to be tiny little bits of glitter in it that sparkled as I rubbed it over my butt.

“Do in-between your cheeks,” she said. I let my hand slip between my butt cheeks and rub some of the oil in there. I heard Anna step forward, and then felt another long drizzle of warm oil spreading over my bum and my hand. “Now slip a finger in,” Anna instructed. It was clear that she could only mean one thing – this girl was asking me to finger my own arse for her. I’m certainly not averse to doing that – my husband absolutely loves to watch me doing it, and I often finger my arse a bit when I masturbate, towards the end when I want to get myself off. But to do it now – bent over a chair, in front of a virtual

“So I snogged away at Anna’s pussy, and I soon started to taste her juices becoming thicker and more copious in my mouth”

stranger – felt a little funny. But also very horny, so I slowly curled my middle-finger round and using the oil as lubricant gently pushed it against my anal opening. With all the oil my finger slipped inside me with great ease. I felt the familiar sensation of slight stretch and fullness that comes with anal penetration, as I pushed my finger deeper inside, past the first knuckle.

“Good,” said Anna, rather breathlessly, “Now another.” I was enjoying myself, despite the strangeness of the situation, so I gladly bent my index-finger and, with a little wiggle, pushed it inside me alongside its neighbour. I felt the extra stretch of two fingers up my bum, but it wasn’t at all uncomfortable thanks to the oil, and I started to move my fingers around inside me. Then something a little weird happened. I am always very anally-sensitive, and often get off when I have a finger or plug or cock up my arse. But that is usually at the same time as something working on my clit, or at least after a bit of clit-play first. But even though I hadn’t been near my clit that evening, I started to feel the unmistakable fluttering in my tummy that told me that something was about to happen.

And before I could do anything to stop it, or even warn Anna, it hit me – a big orgasm emanating from my fingers in my anus, and spreading out like a wave across my body. I heard myself call out loudly, and felt a rush of warm wetness wash down my inner thighs. Like a lot of girls that I know, I’m not so much a ‘squirter’ when I come as a ‘gusher’, and I certainly gushed a good lot of wetness down my legs as I rode my powerful anal orgasm. When I have a clit-orgasm, my clit gets ultra-sensitive for a few seconds afterwards, and I can’t bear to have it touched. But arse-orgasms are different, and it actually feels nice to keep stimulating my arse after I’ve got off that way – it doesn’t exactly prolong the orgasm, but it does give pleasurable sensations. So I kept my two fingers deeply embedded up my anus for a few moments, then withdrew them ever so slowly, flexing them as I did to produce a little extra stretch on the way out.

“That looked good,” said Anna, as I stood myself up and turned to her. I think that she might have been ready to issue me with more instructions, but I’d had enough of being told what to do. So instead I took her hand and led her back to the armchair. I turned her round and pushed her down into the chair. Kneeling in front of her, I took hold of the waistband of her panties, and pulled them down as Anna lifted her bum off the chair to help me. Then I carefully positioned each of her legs over the arms of the chair, so that she was wide open and fully exposed to me. Leaning back on my heels I took a moment to enjoy the view – stocking-clad legs spread wide and a sweet bare pussy in between flared open by the position that I had Anna in.

I leaned forward and without much ceremony began to snog her lips – not her mouth, I mean her pussy lips. This was a trick that a girlfriend had taught me several years ago – to go down on a girl just like you were trying to snog her face off. She did it to me, and it made me cum like a steam-train. I’ve done it to a few girls since, and it’s almost foolproof – even shy girls trying out lesbian-loving for the first time can be got-off by this technique. So I snogged away at Anna’s pussy, and indeed I soon started to taste her juices becoming thicker and more copious in my mouth, and little moans and gasps of pleasure come from her.

Keeping my lips locked against hers, I raised my eyes, to see that she had flicked her pasties off and was now vigorously caressing her boobs and nipples. I reached up and took one of her hands in mine, pulling it down to between her legs, where she immediately fastened on to her clit and started to rub at it. Removing my lips from hers, I pushed at the backs of her thighs gently but firmly to tilt her back on the chair,

and reveal that little button of an arsehole that I'd admired earlier. Dipping my head forwards once more, I started to run the tip of my tongue around its rim, knowing that the combined sensation of anal and clitoral stimulation nearly always gets any girl off. Anna was no exception, and I felt her whole body judder as she cried out, grabbing the back of my head and pulling it hard against her crotch so that my mouth was pushed inside her pussy and my chin was pressed against her pulsing anus. She held me firmly there for a few moments then slowly released me, her hand flopping down beside her in exhaustion. I gave her pussy a quick snog, just to get the flavour of it on my lips, then raised myself up to kiss her on the mouth and let her taste for herself, cupping my hands over her boobs as I did so. "What's in the next lesson?" I asked, but she didn't even have the strength left to answer me…

THE GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

We're not going to even attempt to pretend that Ashley Hinshaw has a fine body of thespian work behind her. She hasn't trod the boards with the great and good. No, she's a model turned actress, with a CV that takes in bit parts in *Fringe*, *Gossip Girl* and *The Glades*. She was fine in the underrated superhero flick *Chronicle*, but it's this year's *About Cherry* that has got us in a flap. She takes the lead, playing a girl dipping her toe into the world of pornography. Obviously it ends up as judgmental as these things do, but at least we get to see all her bits along the way (plus Heather Graham in a softcore lesbo scene, always a bonus). And that's all that matters, really… ♣

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

BIRTHDAY BUMMING!

It was my boyfriend's first birthday since we'd moved in together and I decided to make it extra special. I took a half-day off work without telling him, so when he got home at 6 PM, I had everything ready. I was wearing a new underwear set which I knew James would love. It showed a lot of cleavage at the top and the bottom part was a thong, so barely covered anything. It came with matching black stockings and a suspender belt to hold them up. I'd done my make-up, hair, nails and perfume, so it wasn't a complete surprise when he ignored my request for him to sit at the table while I finished readying dinner and grabbed me instead, saying he wanted to move straight to dessert.

There was lust in his eyes and I melted when he started kissing me. Secretly pleased, I squealed in protest, knowing full well that the dinner wouldn't spoil by being left for another hour, or hopefully two. The truth was I was happy to skip ahead to the fun part of the evening as he swept me up and carried me into the bedroom. I positioned myself on the bed as he stripped completely and gasped as his erection bounced up into view. I had special plans for that erection – a birthday surprise.

James came up the bed but seemed to change his mind half-way. He started planting little kisses down my stomach until he got to my pussy. The feel of his lips through my panties was torture and pleasure rolled into one. I wanted it, but needed flesh-on-flesh. My body squirmed, pushing out against him, unashamedly trying to get closer. My juices were flowing. I gasped with relief as he hooked the soggy material to one side and licked between the folds of my pussy. As he coiled a finger up inside me, I felt myself losing control. My body started glowing with sexual heat. My pussy tightened, gripping the fingers within and I started to climax. James hurriedly moved his tongue over my clitoris, perhaps surprised that I had orgasmed so quickly. My pleasure spiked to new heights and my body arched off the bed as he licked my most sensitive place. It felt so good – but I knew this was just the start. The anticipation of what was to come and the fact James had no idea made the waves of ecstasy all the more intense.

> "He licked me first. It still shocks me to feel him doing it to me, to feel his tongue probing into my arsehole"

I decided to keep the secret a while longer as I moved over James and wrapped my hand around the thick shaft of his cock. My body started to tingle as I tried to imagine how it would feel inside my bum. I tugged up and down on it; it was so big and hard but hopefully the perfect size for me to have some anal fun with. I looked James in the eye as I angled his cock towards my mouth and moved my lips around the tip. I played with it, using just my lips and tongue. Sucking, licking, gently grazing my teeth over the exposed glans. James moaned with delight even before I slid forward, pushing my lips down his shaft, taking his cock into my throat. I kept it there inside me and wrapped my tongue around the back of his shaft.

James groaned and I felt his hand stroking my hair, pulling it away from my face so he could see me taking his cock fully into my mouth. I knew how much he loved to see that. I wondered how much he'd love to see his cock buried in my bum. I pulled back, releasing his cock into my hand, smiling as I wanked it, allowing the head to rub along my lips. I was ready.

"I want you to play with my bum." It was something we both enjoyed – a shared fantasy where I let James use his fingers on my bumhole while I played with my pussy.

Only this time I was going to let him fuck my little arse. He smiled knowingly. Perhaps he had anticipated my birthday present to him. I tried to keep the secret by hiding my face in the pillows and thrusting my bum into the air. He gently moved my hair to the side so that he could kiss down my spine. Tickling, tingling pleasure radiated down my body. He gripped my panties and slid them down and off with practiced co-ordination. I spread my knees as soon as I was free, feeling my pussy and arse open-up as I exposed them to him.

"Your ass looks amazing," James said. I felt his breath as he moved in for a closer inspection. "You've got such a pretty little arsehole." I love it when he talks about my bum and I tensed and relaxed my muscles, playfully winking at him. He licked me first; he always does. It's so rude. It still shocks me to feel him doing it to me; to feel his tongue probing into my arsehole. But this time I was eager to move on. I wanted to feel his fingers penetrate me. Only then could I move on to taking his cock in my bum.

James positioned himself behind me, placing a hand on my hips. I felt the cold slipperiness of the lubricant squirt into the cleft of my ass. His fingers worked their way inside me, penetrating my bum. I'd got used to doing that with him. I liked him fingering my bum whilst he jerked off, the shared fantasy being that it was his cock going in there, into my arse. I'd always said that I'd never let him stick his cock in. But we both knew that was a lie; however I had wanted to save my anal cherry for a special occasion. His first birthday in the house together seemed special enough.

"I want you to stick your cock in my arse." I said it quietly, into the pillows. I wasn't sure whether he'd even heard me.

"Are you sure?" he whispered back. He wasn't surprised – but that didn't take away from the value of my present to him.

"Yes – I want to feel your cock in there," I said, wiggling my bum. The fingers slipped away and I felt the mattress shift as he moved around into position – into a position where he could guide his cock inside my bottom. I gripped the sheets, bracing myself for the pain that I was about to experience. I felt it at my entrance. I felt the pressure – it was nothing like slipping his cock into my pussy: this was an effort. I felt him using his thumbs and fingers to apply pressure directly to my bumhole. Then the pressure eased. I thought he'd stopped trying.

"Oh my god," James said. "My dick is in your arse." I didn't know until he told me. I had been expecting to cringe with the pain of it – but it had just gone in. I started breathing again. My fingers moved down between my legs and I could feel it. The shaft of James' cock was sticking out of my ass – which meant some of it was inside. I felt so dirty, like a porn star. Dropping my fingers back down to my pussy, I started rubbing.

"Push it all in," I told him.

"Are you sure?"

> "It felt amazing as his shaft passed through the tight muscles of my arsehole. I was being violated and it was wonderful"

"Do it, now!" I snapped. I wanted all of his cock inside me and I pressed back as he pushed forward. It felt amazing as his shaft passed through the tight muscles of my arsehole. I was being violated and it was wonderful. As the hairy warmth of his belly touched my bum, I knew that I'd taken the whole thing. It was throbbing inside me, making my bum ache with pleasure.

"Fuck me, nice and slow," I gasped. My breath quickened as I felt my boyfriend's cock slide out of my arse before easing back in.

"That looks amazing!" he groaned with obvious delight. My body started to tingle as he did it again, and again. He was doing it; he was fucking my arse. My clitoris slithered-out from within the folds of my pussy and I moaned as my fingertips brushed across it. That one little noise encouraged James to increase the tempo and I gasped at the shock of him slamming his cock into my arse. The tempo cranked-up again. It was like being stuck in a feedback loop. My every noise encouraged him to go harder and faster and the harder and faster he went, the more noise I made.

I was about to orgasm again. I couldn't resist as James pounded my arse. I'd expected to struggle, to take it slow and steady and here he was fucking me like an anal slut. That thought, that label of 'anal slut' took me over the edge. A delicious surge of ecstasy flooded my empty pussy, quickly followed by wave after wave of pleasure. I tightened my arse muscles around James' cock, gripping him, holding him in place, and with every inch of his cock buried inside my

> "He turned me over onto my knees and kneeled behind me, rubbing his dick in the crack of my bum"

tightest hole, he came. He cried-out and I imagined his cock firing load after load of spunk into my ass and my fading orgasm re-intensified.

"That was amazing," James said, as we both fell back onto the bed.

"Happy Birthday," I replied, kissing him on the lips.

"I can't wait until my next birthday," he said, smiling hopefully.

"Oh, I don't know that I'll make you wait that long – it's my birthday soon."

FILM PHWOAR!

The first time my boyfriend put on a porn movie, I must admit I felt a bit strange. However, now I'm used to it, we often watch movies to get us in the mood for sex. Adam always chooses them, and I haven't said anything, although they seem to be getting filthier each time! Normally, whatever we see on the film leads us to try it in our own lovemaking. The first time I tried anal was straight after seeing it on screen.

When he brought back the latest DVD, I could tell from the sleeve that it was full of gangbang scenes and I was a little nervous, thinking that he might want us to try that. Instead, while we were watching it, he asked me if it turned me on seeing women have dildos inserted into them. One girl was getting fucked doggy style, and the guy was dipping a thin silver vibrator into her tight little brown hole. I now love having a dick in my anus, so I admitted that I'd probably enjoy it, especially if my pussy was getting it as well.

As we got down to our own foreplay, Adam revealed the big rubber dildo that he had bought, hoping that I would go for it. It was much fatter than the one I had just seen slip in that girl's arse, so I said I wanted it in my pussy first. Adam went down on me, licking me and poking my snatch with his tongue. He was using two fingers to frig my clit and within minutes my cunt was dripping and ready.

Pushing the dildo in was easy, and Adam could move it so quickly that it was a good first 'fucking' of the night. Adam had his dick out, wanking at the sight of me being filled with the rubbery length, and I sucked and bit my own nipple as he watched. Taking the dildo from my twat, he turned me over onto my knees and kneeled behind me, rubbing his dick in the crack of my bum. He then pushed it downwards and between my lips, driving into me in one smooth movement, until his balls were resting against my mound.

Taking the dildo, he reached around for some lubricant, dipped it in and began to rotate it against my tight bumhole. The more he fucked my pussy, the more my sphincter relaxed, and I could feel the length working its way up my chute. My legs were splayed, and craning my neck around I could see it disappearing inside me.

Adam was working up a steady rhythm, with his dick pushing as deep as it goes as the dildo was on its way out of my bum, ready for it to be driven back in. My fingers were gripping the carpet and I was growling in ecstasy as Adam relentlessly hammered both holes. When I could finally take no more, I screamed "I'm ready!" and Adam held my hips, leaving the dildo sticking out of my arse and pulled me onto him, as my cunt widened, coating his dick in my juice. As I continued to cum, he then pulled the dildo slowly from my anus, until it slipped out, causing my sphincter to contract once again. Biting down hard on my lip as he did this, I then felt the spray of his load on the small of my back, and stayed on all fours letting it trickle down into my bum crack.

I could hardly move for the next few minutes, but as I looked at Adam I could almost see his brain thinking about which movie to bring home next time!

GRACIE ♣

Goodness Gracie me...

We're guessing that Gracie Glam isn't your real name, Gracie?

"Well, my real name is Gracie," the 22-year-old winner of 2011's AVN Award for Best New Starlet says, "but my real surname is pretty horrible and doesn't sit well with a model and porn star.

"Any clues?"

No. Well, let's just say it's lacking vowels, would score you a lot at Scrabble and sold like a weird Polish venereal disease. You can see why I changed it."

We can. Ms. Glam it is... ♣

GRACIE

What our well-placed moles are telling us this month...

Down The Wire

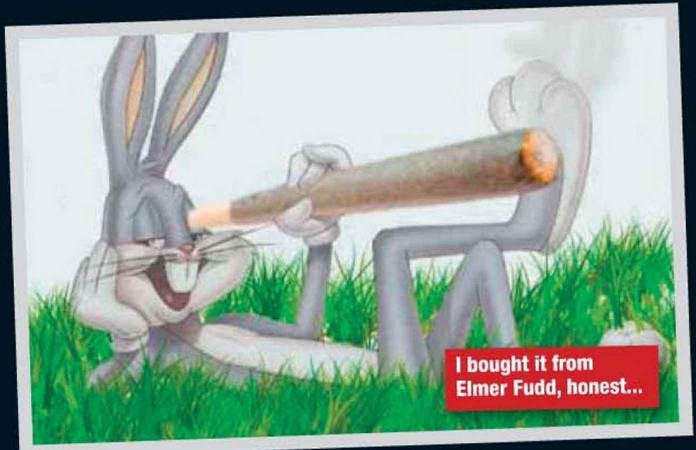
Privy Pinchers!

In a thieve's general idea of a good haul you might expect to find the obvious laptops, iPhone 5 and perhaps the odd kitchen appliance. However, we doubt an outhouse would be top of the pinching list, especially an 8ft tall, ply-boarded version complete with 80's toilet seat cover. Definitely a two-man job! Unfortunately and much to his surprise Randy Nemirsky's privy vanished from his farm near Edmonton, Alberta, after thieves struck in the night. As you can imagine he wants the outhouse returned for personal reasons and is offering a $507 reward. We think you'll be digging holes for a while yet, Randy!

STOLEN TOILET
After countless hours of work, the police still have nothing to go on

Rabbit Food!

How many carrots does it take to hide $500,000 of marijuana? A whole truck full, apparently. An unnamed driver who is being charged with the attempted illegal smuggling of marijuana plants, quickly went up in smoke as his unusual disguise failed to thwart officials at U.S Customs and Border Protection, who weeded out the 29-year-old citizen from Maywood, California. His Bobtail truck was making its way from Baja, California to the Otay Mesa cargo facility, when it was stopped by officials and the haul discovered. Perhaps some weed-toking bunnies had put in a big order.



I bought it from Elmer Fudd, honest...

Cheesy Trail!

Hansel and Gretel were playing it safe with the breadcrumbs, why not opt for an invigorating cheesy Cheetos trail, you could sniff your way back instead? Deputies in Kershaw County arrested Austin Lee Westfall Presler for a raid on a general store. After smashing his way in, it's reported that cigarettes and beer were amongst the stolen items, however on leaving the store, Presler left a unique parting gift. Before exiting the store, Presler opened a fatal bag of Cheetos that would lead to his timely undoing. Leaving behind a cheesy trail leading all the way to his front door, Presler was found by police ensconced with the stolen items. Poor chap, he just couldn't resist those cheesy puffs!

I actually wanted some Monster Munch!
KERSHAW COUNTY DETENTION CENTER

Tit Target!

I have huge Tits!

You can always tell the ones who are marriage material.

Some may think of breasts as being an autograph platform for rock stars, whose screaming fans line up for the privilege! Nonetheless one entrepreneur's unique advertising scheme seems to be paying off, with one of her breasts for a fiver (bargain!) and the twin set being a stomach-able £9 (maybe one's bigger than the other).

Initially starting out on a Czech Republic version of Gumtree before re-listing on Facebook, which with its widespread usage provides a superior promotional platform, she's gaining notoriety amongst users. "It's good value for money… But I'd pay double if I could write the advert myself." Something to bear in mind for future reference. ♣
